

7,000 people, one global focus - enhancing the health and well-being of pets, people, and livestock.

We are passionate about what we do at IDEXX – and why wouldn't we be? When you're working to raise the standard of care for pets, make drinking water safe for billions and keep our livestock population around the globe healthy and free of disease, it's no wonder that what we do each day is more than just a job. There's an energy across IDEXX that is contagious – where caring and committed people come together to make things better.

Invitation

To the IDEXX Pathology Days 2017

You are a resident of clinical or anatomic veterinary pathology.

You would like to visit one of the biggest laboratories worldwide for veterinary diagnostics?
You would like to gain insight in the challenging day to day work and the operation methods of our experienced diagnostic pathologists?

We invite you to come to Ludwigsburg (near Stuttgart) on June 21/22/23, 2017

You will arrive in the afternoon of June 21, 2017 in Ludwigsburg. During a casual dinner, you will meet staff members of our pathology team. On June 22, we will start with an exciting tour through our laboratory where you have the chance to get insights into our diagnostic procedures. Afterwards you have the opportunity to meet with our in-house pathology team and discuss interesting cases with international team members. We end the day with having dinner together in a nice restaurant. You will travel back to your home destination on June 23.

All expenses paid!

All costs including travel, overnight stay in a hotel, and meals will be covered by IDEXX.

Please register until latest May 26, 2017 with nicole-hammer-kohler@idexx.com

For questions, please contact Dr. Benno Nothelfer, Veterinary Pathologist,
Regional Head of Pathology GE/CH, +49 160 5328103 or
Nicole Hammer-Kohler, Recruiter G/S/A, +49 175 5720393.

We look forward to meet you in Ludwigsburg!
