

## **LECTURER /SENIOR LECTURER (VETERINARY CLINICAL PATHOLOGY)**

**Veterinary Clinical Sciences, Melbourne Veterinary School  
Faculty of Veterinary and Agricultural Sciences  
The University of Melbourne, Australia**

**Salary:** Level B: AUD98,775 - AUD117,290 p.a. or Level C: AUD120,993 - AUD139,510 p.a., plus 17% superannuation. Level of appointment will be determined by the level of achievement of the applicant.

The University of Melbourne seeks an enthusiastic, motivated and team-focused veterinary clinical pathologist to join our team in the Department of Veterinary Clinical Sciences at the Melbourne Veterinary School. The Melbourne Veterinary School's Doctor of Veterinary Medicine (DVM) is AVMA, RCVS and VSAAC accredited and the school is ranked globally at 15<sup>th</sup> among veterinary professional schools. The University of Melbourne is Australia's leading university and is consistently ranked in the top 30 universities globally, being recognised for its leading and innovative research and teaching. The city of Melbourne is still recognised as the world's most liveable city and boasts high quality of living, excellent schools, multicultural lifestyles, beaches, sports, and the performing arts.

In this position you will take a leading role in the teaching of undergraduate and graduate students in the area of veterinary clinical pathology. You will also supervise specialist registration training and provide diagnostic clinical pathology services.

The position will be based at the Werribee campus of the Faculty of Veterinary and Agricultural Sciences.

### **Benefits**

- Maximise your benefits through our Salary Packaging scheme
- Flexible family friendly policies, providing generous leave and working conditions
