

Cytology Course in Hungary 10-11 June, 2010

## Cytology Course in Hungary

Balatonfüred, 10-11th of June, 2010

We invite you to our cytology course, which will be held at the lake Balaton in Balatonfüred, Hungary ([www.hungary-tourist-guide.com/balatonfured.html](http://www.hungary-tourist-guide.com/balatonfured.html)).

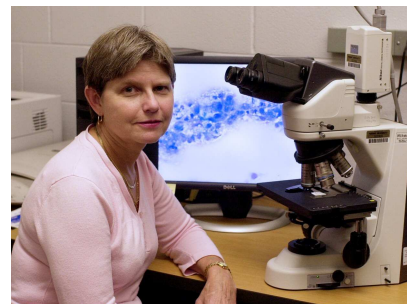

The course will be organized by the Clinical Laboratory of the Department of Internal Medicine, Faculty of Veterinary Science, Szent István University, the Hungarian Veterinary Oncology Society and the Veterinary Hematology and Oncology Center Ltd. The Cytology Course will be followed by the annual Congress of the Hungarian Society of Veterinary Oncology (Magyar Állatorvosi Onkológiai Társaság, MÁOT) at the same place on Saturday and Sunday (12th-13th of June). Registration fee will be 41 EU (11000 HUF).

Most common cytological features of healthy tissues and organic disorders will be discussed during the two-day program. This time, the basic aim is to give a general introduction to veterinary cytology.

The language of the session is English. Registration fee: 200 EU (54000 HUF) which includes the lectures, hands-on microscopy seminars, handouts, refreshments, lunches and a dinner. The places for the course are limited, please register as soon as possible!

### Invited lecturer:
