

Clinical Pathologist – Veterinary

Auckland/Dunedin, New Zealand

Join New Zealand's Leading provider of Veterinary diagnostic testing and pathology services.

Awanui Veterinary (Previously known as Gribbles Veterinary) is eagerly seeking a Clinical Pathologist to join the team in New Zealand. We are in four major cities including Auckland, Christchurch, Palmerston North, and Dunedin. You will have an opportunity to work from Auckland and support the wider team of 17 Pathologists. For the successful international candidate, Awanui Veterinary is offering a generous relocation package to escape to beautiful New Zealand, renowned for its untouched national parks, stunning mountain ranges, outdoor pursuits, and various cosmopolitan cities.

About us

Awanui Veterinary is a world-leading practice committed to supporting the health and well-being of animals throughout New Zealand. With a team of 17 veterinary pathologists located in 4 dedicated veterinary laboratories across New Zealand, we provide diagnostic pathology for livestock, companion animal veterinarians, university and research facilities as well as zoo and wildlife organizations.

Driven by providing innovative laboratory service and delivering service excellence to New Zealand's national network of animal health professionals Awanui Veterinary continues to expand, requiring another enthusiastic clinical pathologist to join the team in providing the best veterinary diagnostic testing and pathology services in New Zealand.

Primary duties

Your work will provide challenges and variety across the science spectrum including, the evaluation and interpretation of haematology, cytology, clinical chemistry, endocrinology, urinalysis, serology, microbiology and molecular results. As well as providing specialist advice and phone consultations to veterinary clients.

What you need

- Veterinary degree suitable for New Zealand Registration
- Experience in diagnostic veterinary pathology
- Board Certification by the ACVP/ECVCP / fellowship of the ANZCVS is preferred however board-eligible or other highly qualified applicants will also be considered.
- Demonstrated commitment to providing high-quality pathology service.

What we offer

- Attractive Remuneration Package
- Generous relocation package
- Collaborate with leading Veterinary Pathologists who as a group have many years of practical experience and knowledge to support you.
- Supportive Environment for further career development through continuing professional education
