University Clinician in Veterinary Clinical Pathology

Ref: 010858

Grade 7/8: £33,242 - £37,394 / £40,847 – 47,328

We are looking for a clinician with experience and enthusiasm in diagnostic veterinary clinical pathology to join our established vibrant clinical pathology team of eight. The clinical pathology team is part of the larger Veterinary Diagnostic Service within the School of Veterinary Medicine and benefits from support from large teams of highly experienced diagnosticians within the disciplines of anatomic pathology and infectious diseases. The post holder will preferably have European or American Diplomat certification and contribute to our active residency programme. They will also integrate fully into a team delivering high quality undergraduate teaching and clinical service to veterinary surgeons and veterinary students in the University of Glasgow and in external referring practices. Support of and collaboration with research clients is also encouraged.

This is an open ended position.
