

## Clinical Pathologist

An exciting opportunity has arisen at Langford Vets for a Clinical Pathologist to join our team. Langford Vets is a group of customer focused veterinary businesses providing an extensive range of specialist capabilities and a superior quality of care. We are located in the beautiful Somerset countryside, whilst being close to the vibrant city of Bristol. We have the largest team of American and European Specialists in the South West, offering a truly multi-disciplinary referral service.

The successful applicant will provide an excellent clinical pathology service for internal and external clients, working with the laboratories team to improve the efficiency and effectiveness of the Diagnostic Laboratories.

You must have at least three years' experience working as a veterinary surgeon in Clinical Pathology and be a member of the RCVS. Preference will be given to a Diplomate of the European College of Veterinary Clinical Pathology, a Diplomate of the American College of Veterinary Pathology (Clinical Pathology) or a Fellow of the Royal College of Pathologists (Veterinary Clinical Pathology). You may be considered if you have significant experience and are eligible for one or more of these postgraduate qualifications.

Full and part time applications will be considered. The appointee will be eligible for a range of additional benefits including CPD support and a generous pension scheme.

For informal enquiries please contact Diagnostic Laboratories Clinical Lead, Kathleen
