
THE UNIVERSITY OF LIVERPOOL
FACULTY OF HEALTH AND LIFE SCIENCES
INSTITUTE OF VETERINARY SCIENCE

LOCUM LECTURER/SENIOR LECTURER IN SMALL ANIMAL CLINICAL PATHOLOGY
GRADE 8/9 (Maternity cover)

£39,992 - £64,080 pa
(plus attractive CPD and pension package)

This clinical and teaching/research post will be based at the Leahurst Campus on the Wirral Peninsula. This is an exciting opportunity to join our dynamic clinical team. The successful candidate will participate in the clinical pathology service and in teaching and research activities. Caseload is diverse, and there is excellent multidisciplinary support. You will be MRCVS. Prospective candidates should be boarded in Veterinary Clinical Pathology (ECVCP, ACVP, FRCPath), or be board eligible, and have experience working in a diagnostic laboratory with a proven commitment to providing high quality pathology services and teaching. This post is available from 1 December 2018.

Job Ref: 009841

Closing Date: 5 September 2018
