

**University of Surrey - Locum Pathologists x 2**

**Location: Guildford, School of Veterinary Medicine**

**Salary: Competitive Salary**

**(Up to 6 months fixed term contract)**

**Post Type: Full Time**

**Advert Placed: Thursday 02 August 2018**

**Closing Date: Wednesday 08 August 2018**

**Interview Date: Monday 13 August 2018**

**Reference: 058418**

**We are seeking motivated, enthusiastic veterinary pathologists to join our team of board-certified veterinary pathologists and investigation officers, based in our £11m purpose built state-of-the-art Veterinary Pathology Centre based in Guildford, Surrey.**

**Please note part time applications are welcome.**

You will be an MRCVS and have a particular interest in undergraduate and postgraduate teaching. You will have excellent communication skills, an appetite for innovative teaching and diagnostics and be able to work well in a team. You will be supported by a team of veterinary surgeons, board-certified pathologists, scientists and skilled technical staff.

This post will be primarily a teaching post. You will be part of a team delivering the pathology component of the Surrey veterinary curriculum. In addition, you will provide diagnostic pathology support to the veterinary community, you will also have the opportunity to work with experts from local world class veterinary practices, institutes and government agencies through our many collaborative partnerships.

This is an exciting opportunity in helping shape the University's veterinary education programmes and to further develop the area of veterinary diagnostic pathology at Surrey.

For informal enquiries please contact Professor Roberto La Ragione (r.laragione@surrey.ac.uk), Head of the department of Pathology and Infectious Diseases and Director of the Surrey Veterinary Pathology Centre.
