

## **Clinical Pathologist at Laboklin in Linz, Austria**

We are looking for an experienced clinical pathologist for our growing team of veterinarians at Laboklin Linz.

In addition to long-term employees, some of whom have been with the laboratory since it was founded, our team is also supplemented by young, specialized colleagues. The field of activity is multifaceted and comprises haematological and cytological diagnosis, client counselling concerning all areas of clinical pathology and internal medicine, supporting the QMS and to a lesser extent microbiology. We regularly host seminars and workshops for our clients and also lecturing at conferences is encouraged. Of course, also CPD is supported.

Important prerequisites are passion for veterinary clinical pathology, as well as the desire to be a helpful partner for veterinarians in practice. Applicants must speak German or be willing to learn.

It is a full time position, part time is negotiable.
