

## Clinical Pathologist

*(South Africa – Remote)*

As a Clinical Pathologist, the majority of your duties involve, but are not limited to, providing clients with diagnostic evaluation in the area of clinical pathology and providing necessary follow-up consultation. A high level of importance is placed on quality, timeliness, customer service, effective verbal, written and interpersonal communication skills.

**Apply here:** <https://bit.ly/3up3dRt>

### **In This Role, You Will...**

- Be responsible for gross and/or microscopic examination of clinical pathology specimens and preparation of pathology reports in a timely manner.
- Meet caseload and turnaround expectations.
- Provide telephone consultations to clients.
- Consult with and assist other pathologists as needed to promote collegiality.
- Partner with, advise and assist laboratory personnel in proper specimen processing techniques and function as the pathologist on duty.
- Promote the growth of IDEXX by actively participating in pathologist meetings and developing and maintaining professional relationships/contact with clients.
- Participate in the quality control programs.
- Maintain proficiency and develop diagnostic skills through regular continuing education.

Time may be provided off of routine diagnostic responsibilities to allow the pathologist to engage in other professional activities as approved by management. Such activities should improve the function or professional reputation of IDEXX.

### **What You Will Need to Succeed:**

- You are fluent in English
- You are familiar with current topics and issues in clinical veterinary medicine.
- You are able to type and use dictation equipment.
- You have excellent verbal and communication skills.
- You have a service-oriented attitude.
- You are able to organize and prioritize work.
- Computer skills are required.
- Experience in a veterinary diagnostic laboratory is preferred.

### **Certifications:**

- Board certification in clinical pathology - American College of Veterinary Pathology (ACVP) or European College of Veterinary Clinical Pathology (ECVCP) preferred. MMedVet(CLD) also considered.
- Applications from board eligible pathologists are also encouraged. The candidate will be supported when studying for boards.

### **Why IDEXX?**

We're proud of the work we do because our work matters. An innovation leader in every industry we serve, we follow our Purpose and Guiding Principles to help pet owners worldwide keep their companion animals healthy and happy, to ensure safe drinking water for billions, and to help farmers protect livestock and poultry from diseases. We have customers in over 175 countries and a global workforce of over 10,000 talented people.

So, what does that mean for you? We enrich the livelihoods of our employees with a positive and respectful work culture that embraces challenges and encourages learning and discovery. At IDEXX, you will be supported by competitive compensation, incentives, and benefits while enjoying purposeful work that drives improvement.

Let's pursue what matters together.

*IDEXX values a diverse workforce and workplace and strongly encourages women, people of color, LGBTQ+ individuals, people with disabilities, members of ethnic minorities, foreign-born residents, and veterans to apply.*
