

Job Title: Clinical Pathologist (Remote)
Salary: Competitive DoE
Location: Remote for Dick White Referrals (DWR)
Job Type: Permanent
Hours: 40 hours, Monday to Friday (will consider 4 days a week)

Your role and responsibilities

We are looking for an experienced remote Clinical Pathologist to join our growing team within our state-of-the-art Laboratory at Dick White Referrals (DWR) Referral Hospital. This is an excellent opportunity to be part of a wider clinical team of Clinical and Anatomic Pathologists as we move forward under Antech Diagnostics, part of Mars Pet Care, together making a better world for pets.

As our laboratory is located within the busy hospital at DWR, lots of our work is from referred patients in house. We also receive samples through other referral hospitals across the UK, along with first opinion samples which provides us with a varied and interesting workload.

This is a full time position that we are able to offer as remote working, we will consider applicants from the UK and Europe.

Primary duties include:

- Examination and reporting of cytology samples – fine needle aspirates, effusions, CSF, synovial fluid.
- Evaluation and interpretation of clinical pathology results including haematology, biochemistry, endocrinology and microbiology
- Evaluation and reporting of flow cytometry
- Contributing to the training of our clinical pathology resident as well as visiting residents
- Contributing to the training of lab technicians in blood film examination
- Taking part in seminars and journal clubs

This is a full-time post; however a 4-day week would also be considered by mutual agreement.

Requirements

- Board certified by the European College of Veterinary Pathologists, America College of Veterinary Pathologists or Royal College of Pathologists.
- You will be organised, hardworking and self-motivated with an enthusiasm for science
- Candidates must be able to work within a multidisciplinary team but also autonomously within the laboratory environment.

Benefits

- Remote working
- 5 weeks holiday plus bank holidays and Birthday Leave
- Career progression opportunities
- Staff discount schemes
- Life Assurance
- Enhanced sickness pay
- Enhanced equal family leave
- E-car salary sacrifice scheme
- Employer contribution pension scheme

- Wellness program including: Employee assistance program, Eyecare voucher scheme, Free annual Flu jab
- Cycle to work scheme
- Recruitment referral reward scheme

About us

Dick White Referrals (DWR) is one of the largest specialist multi-disciplinary veterinary referral centres in Europe, offering outstanding levels of clinical care in state-of-the-art facilities. Our dedicated vets, nurses, and nursing assistants, supported by the client care teams and are committed to providing the highest quality surgical and medical care for pets. Many of our clinicians are nationally or internationally recognised specialists in their field and bring unique experiences to care for pets.

DWR has the support of Antech Diagnostics and the Linnaeus Group, providing significant investment in providing new innovative services, a contemporary state-of-the-art working environment and commitment to personal and career development.

We accept referrals in Anaesthesia, Cardiology and Cardiac Surgery, Dermatology, Diagnostic Imaging, Emergency and Critical Care, Internal Medicine Neurology and Neurosurgery, Oncology, Orthopaedic Surgery, Physiotherapy and Soft Tissue Surgery. We have comprehensive and established clinical and non-clinical programmes for training, development, and CPD.
