**1 Panel**

**Each of our posterboards
are made up of 2 panels.
Each panel is 1200mm wide x 1000mm**

**A full posterboard will therefore
be 1200mm wide by 2000mm tall**

**Boards can be connected up
so you can have a run of
more than 1 board**

**You can also have just the top
panel with no bottom panel in at all**

**1 Panel**

**A0 Portrait**

The boards can fit 1 A0 portrait poster on each full board therefore on 1 full posterboard if you use double sided you can fit 2 A0 portrait posters on
