

## **Veterinary Clinical Pathologist (Fixed Term Contract)**

**Langford Vets, University of Bristol, U.K.**

We have an exciting opportunity for a Clinical Pathologist to join our Diagnostic Laboratories Team on a short-term contract from June for 6 – 12 months. The successful applicant will provide an excellent clinical pathology service for both our internal and external clients. This is a friendly, welcoming team with excellent client relations.

The successful candidate must have at least three years' experience working as a veterinary surgeon in Clinical Pathology and be a member of the RCVS. Preference will be given to a Diplomate of the European College of Veterinary Clinical Pathology, a Diplomate of the American College of Veterinary Pathology (Clinical Pathology) or a Fellow of the Royal College of Pathologists (Veterinary Clinical Pathology). You may be considered if you have significant experience and are eligible for one or more of these postgraduate qualifications. Please see the job description for more details on the role.

Full and Part-time applications are welcome.
