

**Dr Yolandi Rautenbach**

**BVSc (Hons), MMedvet (Clinical Laboratory Diagnostics), PhD, EBVS® European Specialist in Veterinary Clinical Pathology**

Dr Yolandi Rautenbach obtained her BSVc degree at the University of Pretoria in 2007. After spending four years in private practice, she returned to the university and completed her BVSc Honours degree in 2014 and proceeded to complete both the South African, MMedVet (Clinical Laboratory Diagnostics), and European College of Veterinary Clinical Pathology residencies in 2017 and 2018, respectively, at the University of Pretoria. She obtained her PhD degree which involved the investigation of cardiac troponin I in African rhinoceros, at the University of Pretoria, in May 2025. She was employed as a Senior Lecturer in Veterinary Clinical Pathology from 2018-2024 at the Department of Companion Animal Clinical Studies, University of Pretoria. She joined IDEXX South Africa as a senior pathologist at the end of 2024.
